

Type Approval Certificate

Inmarsat FleetBroadband - Class 14

Thrane & Thrane A/S, the manufacturer of a FBB Class 14 Mobile User Equipment (UE), identified as Sailor 150, has submitted test data which demonstrates that the said Sailor 150 Class 14 UE when operating in the environmental conditions set forth in its Product Requirement Specification (Maritime) meets the applicable technical requirements for use with the Inmarsat Satellite Communications System, as issued by Inmarsat Global Ltd (Inmarsat) in the document entitled "Inmarsat System Definition Manual", subject to the correction of certain time limited waivers by Thrane & Thrane A/S.

Thrane & Thrane A/S has certified that all other units of the same type will meet all technical requirements in a similar manner to the units subjected to test, and that the tests have been conducted in accordance with procedures approved by Inmarsat. The full technical details of the Sailor 150 Class 14 UE are available in the Thrane & Thrane A/S Product documentation.

Inmarsat does hereby certify that the FBB Class 14 UE identified herein is acceptable for use with the Inmarsat Satellite Communications System as of the date of this certificate.

Certificate Number: B14TT01

Inmarsat Global Limited

By

Name: Ian Cooper

Title: Product Manager
E&E Systems

Approval Date: 16th June 2009

1. This certificate does not authorise the operation of the FBB Class 14 UE in the Inmarsat System. Such authorisation requires registration after installation, in accordance with registration procedures established by Inmarsat. In addition, the operation of the FBB Class 14 UE may also be subject to national licensing requirements.

2. This certificate is intended only as formal notification to the manufacturer that Inmarsat has determined, on the basis of test results submitted by Thrane & Thrane A/S using test procedures approved by Inmarsat, that FBB Class 14 UE models of the type identified herein meet the standards for use with the Inmarsat System. This certificate is not a warranty of the performance or fitness for purpose of the FBB Class 14 UE and Inmarsat hereby expressly disclaims any and all liability arising out of or in connection with the issuance, use, or misuse of this certificate.
