RE: Part Number Cross Reference for the Aero I/M Antenna

The table below indicates the part numbers and revisions of the Omnipless Aero I/M Antenna (aka IGA-5006) and its equivalent Universal and Chelton Inc numbers:

Company	Part Number	Drawing Reference	PMA Approved
Omnipless	677-A0002-rev2.5	677-A0002_OD Iss 2.12	No
Universal	10101-0X-rev2.5	10101-0X rev 4	Yes
Chelton Inc	677-A0002-revC01	118-00036 rev B	Yes

The Universal and Chelton Inc. part numbers are the equivalent of the Omnipless part number, with the addition of the PMA.
