Mr. Dyrholm,

Our office has evaluated the Thrane & Thrane SAILOR 6120 Mini-C ship security alert system (SSAS). Based on the information you submitted, the system meets the technical requirements outlined in the Safety of Life at Sea Convention (SOLAS) Regulation XI-2/6 and the performance standards in the International Maritime Organization's Resolution MSC.147(77).

This equipment is not subject to U.S. Coast Guard type-approval per Title 46 U.S. Code of Federal Regulations (CFR) subpart 159 nor should it be marketed as having received such type-approval. However, this letter may be used during the review and approval process of a vessel's Security Plan performed by the U.S. Coast Guard Marine Safety Center, as applicable.

If you have any questions please feel free to contact this office at the email address or phone number above.

Sincerely,
