Dear Sir/ Madam,

We TracStar System Inc (dba Cobham SATCOM Land) hereby declare that product model Explorer 3075GX is electrically identical to product model Explorer 5075GX, the results of which are featured in BACL test reports, R1408202, R1408202-12, R1408202-360 and R1408202-978 available on request.

Similarities:

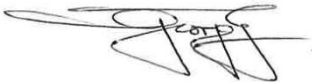

1. Identical electronic enclosures with identical PCBAs
2. Identical antenna system

Differences:

1. The Explorer 5075 GX that was tested is an auto acquire motorized system
2. The Explorer 3075 GX is a manual operated antenna with no motors

Please contact me should there be need for any additional clarification or information.

Regards

Dr George Tong
Director Engineering, Land VSAT and RF Antenna System
