Declaration of Thrane & Thrane A/S

1. This declaration refers to the following Thrane & Thrane antenna model:

TT-7090D SAILOR 900 VSAT Ka system, Maritime Ka-Band system consisting of:

TT-7016C Antenna Control Unit (ACU) PN = 407016C-XXX

TT-7009D Above Deck Unit (ADU) PN = 407009D-XXX

2. Thrane and Thrane A/S hereby declare that the antenna units referenced in 1, are electrical and hardware identical to the units of Maritime Ka-Band system referenced in 4. The only difference of the two systems is labels and a different user interface in the software.
3. Thrane and Thrane A/S hereby declare that all Declaration of Conformity concerning for the Maritime Ka-Band system referenced in 4 also apply for the Maritime Ka-Band system referenced in 1.

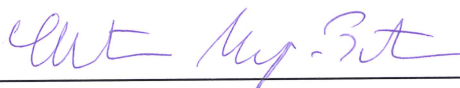

4. TT-7090C SAILOR 100 GX system, Maritime Ka-Band system consisting of:

TT-7016C Antenna Control Unit (ACU) PN = 407016C-XXX

TT-7009C Above Deck Unit (ADU) PN = 407009C-XXX

TT-7023A Global Xpresss Modem Unit (GMU) PN = 407023A-XXX

Date: 10/8-2017
